## Letter from the Board Chair & President

### *Gratitude in Giving*

This edition of our annual report features six reflections of gratitude—examples of the thousands of stories created each year by matching heartfelt donors with sincere recipients.

As cited on our cover: “When eating a fruit, think of the person who planted the tree,” we want you to know that we are always thinking of you, the people who continue to invest in the future of the University of Maine.

From our perspective we see the strength of both giving and receiving. We witness the amazing foresight of the donors whose generous gifts we steward. We also see firsthand the impact of those gifts over and over again.

We are part of a strong, generous and grateful Black Bear community.

*Thank You*

The University of Maine Foundation exists because of your ongoing generosity on behalf of the University of Maine. We take our role as stewards seriously and we are grateful for the opportunity to serve you in making your gifts as meaningful as possible.

Recent additions to our services include an agreement with the University and the Alumni Association to process all gifts here at the Foundation. These measures streamline services to our donors, and ensure administrative efficiencies, while putting more support directly in the hands of UMaine faculty, staff and students.

In FY15, the Foundation recorded new outright and planned gifts totaling \$12,283,217.

The Foundation now holds 1518 endowment funds and total assets are \$216,034,400.

Support for the University of Maine and trust in the Foundation has never been higher. For the eighth year out of the past twelve, contributions to the Foundation have exceeded \$10 million.

Thank you for your continued support,

“There is no getting around it, dental school has become extremely expensive over the years. The low-interest Gilbert loans I received through the UMaine Foundation enabled me to finance dental school and helped give me the freedom to stay in Maine and practice dentistry. I am very grateful that I can stay in the state I love and further my career.”

Gilbert Loan Recipient*

The Charles E. Gilbert Loan Program fund provides low-interest loans for UMaine graduates seeking medical, dental or veterinary school.

Charles E. Gilbert graduated from the University of Maine in 1894 with a degree in mechanical engineering.

The Gilbert fund has supported over 327 students in pursuit of their medical degrees.

“I’m very appreciative of this scholarship.

I felt so blessed, and I’m so thankful. It’s amazing to me that someone I don’t even know is willing to help me get through these next four years of school, and financially support me even though they don’t even know who I am.”

“‘Paying it Forward’ was a phrase I didn’t know when I graduated from UMaine in 1959, but I think I understood the concept. Becoming a member of the Legacy Society was a way of recognizing that many before me had done the same thing and helped create a place where I could learn and thrive and grow. That my education in Orono would prepare me for a great life filled with interesting work and many adventures was not even on my radar. Hindsight is 20/20 and I know it now. As I enjoy my third “retirement,” I relish a life filled with adventures, mostly shared with a four-legged friend who insisted that he wanted to express his gratitude as well.”

**“As dean of students, I witness how the quality of a UMaine experience can change dramatically when someone has his/her financial burdens eased with scholarship support.**

These dollars allow students to participate fully in the many engaging programs we offer beyond the classroom, and help them actively seek study abroad and internship experiences. Generous donors even provide emergency assistance to keep a person in school when the unexpected happens. A simple *Thank-You* does not begin to recognize the impact of your support on our students.”

*Robert Q. Dana '80*  
*Vice President for Student Life and Dean of Students*

As a grateful former scholarship recipient, music student Catherine Bruno along with her husband, John, have decided to create their own fund, the John P. and Catherine J. Bruno Scholarship. “It is our pleasure to provide this endowed fund that will benefit deserving students, and, with

the Foundation’s stewardship, continue to grow, and outlast us. What inspired us was the fact that we could help people to continue to study music, particularly pipe organ and keyboard. We thought that it might encourage great musicians to come study at the University.”

*John and  
Catherine Bruno '16*

*Distinguished Endowed Scholarship Donors  
Stillwater Society Members*

“We’re honored to have the majority of the funding for the new Emera Astronomy Center come through the UMaine Foundation from a generous anonymous donor.

I cannot thank this person or couple enough. They’ve had an incredible impact on astronomy and physics education in Maine.

We’ve had all ages here, kindergarten through college and beyond. We run camps and planetarium shows and do research in our new observatory. Since we opened in October 2014, we’ve had over 6,000 visitors engaged in astronomy and science—what a gift!”

# Spending Policy

It is important that our assets' growth be available for the future generations of our intended beneficiaries. The Foundation's objective in managing its endowed funds is to generate an income stream for distribution to the University and provide for adequate growth in the endowments. The Foundation operates the General Endowment Fund on a total return basis, which focuses on the overall return of the investment portfolio including both investment income (interest and dividends) and capital gains and losses (realized and unrealized). Under the total return method, an endowment spending rate of the invested assets is established.

The Foundation's spending rate, as established by its Board of Directors, is 4.5% of the twenty quarter (five-year) average fair-market value (as of December 31) of the investment pool. To provide for the accumulation of earnings, only endowment funds that have been in the General Endowment at least one year will be eligible for spending. In addition to endowment spending, the University of Maine Foundation supports its operations by charging annually an administrative fee that is 1.25% of the endowment fund. The fee is reviewed annually by the Board of Directors.

# Charles F. Allen Legacy Society

The Charles F. Allen  
Legacy Society,  
named for the  
University of Maine's first president,  
was established in 1995.

The intention in creating the society was to recognize and honor alumni and friends who intend to remember the University of Maine or its affiliated organizations by making a bequest or other form of planned or deferred gift.

Individuals who made the choice to benefit future generations of students have made some of the University of Maine's finest achievements possible. Every gift strengthens the University as it carries out its mission of teaching, research and public service. The University of Maine and its students are deeply grateful for such support, and membership in the Charles F. Allen Legacy Society provides one way for the University to show its gratitude.

In FY 2015, the Charles F. Allen Legacy Society welcomed 28 new members. New members receive a certificate, a pin and are honored at periodic luncheons.

# Ways of Giving

Since 1934, the University of Maine Foundation has specialized in planned gifts that include bequests, trusts and other life income plans. Planned gifts often have attractive tax benefits associated with them, and can allow one to leave a legacy without diminishing assets during his/her lifetime.

Perhaps the most common form of a planned gift is through a bequest. If you wish to leave the University of Maine Foundation a bequest in your will or trust for a scholarship or some other purpose, you can amend your will or trust to reflect your wishes.

The following represents sample language for doing so:

“I give and bequeath to the University of Maine Foundation for the benefit of the University of Maine:

- the sum of \$ \_\_\_\_\_; or
- \_\_\_\_\_ percent of my estate; or
- the property described herein \_\_\_\_\_

to establish the \_\_\_\_\_ Fund. The principal of said Fund is to be endowed and only the income earned on the principal shall be used to provide financial assistance.”

*We are always ready to listen to your specific objectives and to help you to plan the gift that would be most meaningful to you. Perhaps making a gift while reserving a lifetime income would interest you?*

*Whether you would like your legacy to be a named, endowed scholarship or support for a particular aspect of campus, we can help you in our Orono and Falmouth offices.*

## *Mission Statement*

The University of Maine Foundation, acting as a separate organization,  
will work collaboratively with all entities to encourage philanthropic support  
by growing the endowment through planned/deferred giving  
for the University of Maine and other charitable organizations  
while carrying out the donors' wishes in perpetuity.
